A NOTE IN PREFACE TO OUR MENU

Thank you for your interest in our bread and pastry menus.

Please be aware that, because of the present pandemic, we require that you and anyone at your location wear a face mask when meeting with us.

We will be happy to arrange to bring samples to your business, but we are not currently conducting in-person tastings. We can discuss your needs and explain our products, then leave samples for you to taste.

We appreciate your understanding. Stay healthy, stay vigilant, and stay sane.
